New York State Department of Taxation and Finance has implemented a new procedure for homeowners to receive the STAR Exemption.

- Homeowners who purchased their home **prior to May 1, 2014** will continue to receive the STAR exemption.
- Homeowners who purchased their home **between May 1, 2014 and August 1, 2015** and after the *2015 STAR application deadline* or applied for exemption after the application deadline, must register to receive the STAR credit. For most municipalities the application deadline was March 1, 2015. However, the deadline differs for certain municipalities.
- Homeowners who purchased their home **AFTER August 1, 2015** must register to receive the STAR credit.

If you purchased your home after May 1, 2014 and would like to learn more or would like to find your municipality's deadline, please visit the New York State Department of Taxation and Finance's website at [tax.ny.gov/pit/property/star](http://tax.ny.gov/pit/property/star) or click [here](#) for a PDF summary of the new STAR property tax relief rules and application deadlines.
